

December 15 - 17, 2025

SCHOOL SAFETY SUMMIT

Orange Beach Event Center

Orange Beach, AL

APLDS Clock Hour credit counts toward the 2025-26 School Year

Description:

If you're ready to grow as a leader in your school or district and earn valuable APLDS hours the nSide School Safety Summit is the place to be. This professional learning event is designed to equip educators with the knowledge and tools to build Cultures of School Safety that support positive school climate and student learning.

Participants will take part in sessions led by a range of expert presenters and collaborate with colleagues to apply practical strategies. Topics will include school safety planning, mental health supports, crisis response, leadership communication skills, and more—all aligned to help you lead safer, more supportive learning environments while earning APLDS credit along the way.
